Our history

Working service point for international student applications

- non-profit organisation
- evaluation of foreign school and university certificates
- determining the equivalence of certificates to German educational standards
- app. 300.000 student applications from over 180 countries and regions worldwide every year

The centre of expertise for the documentation and evaluation of international university applications

Competence

uni-assist offers higher education institutions its collective, up-to-date expertise concerning the preliminary evaluation of international university applications.

Transparency

uni-assist fairly and expertly evaluates all international university applications in accordance with ZAB guidelines (Central Office for Foreign Education) for the respective university.

Documentation

uni-assist manages the administration of all international university applications for its member universities

Participation

uni-assist expertly supports its member universities international development plans. Members of the association are part of a strong community in the field of the preparation for university admission.

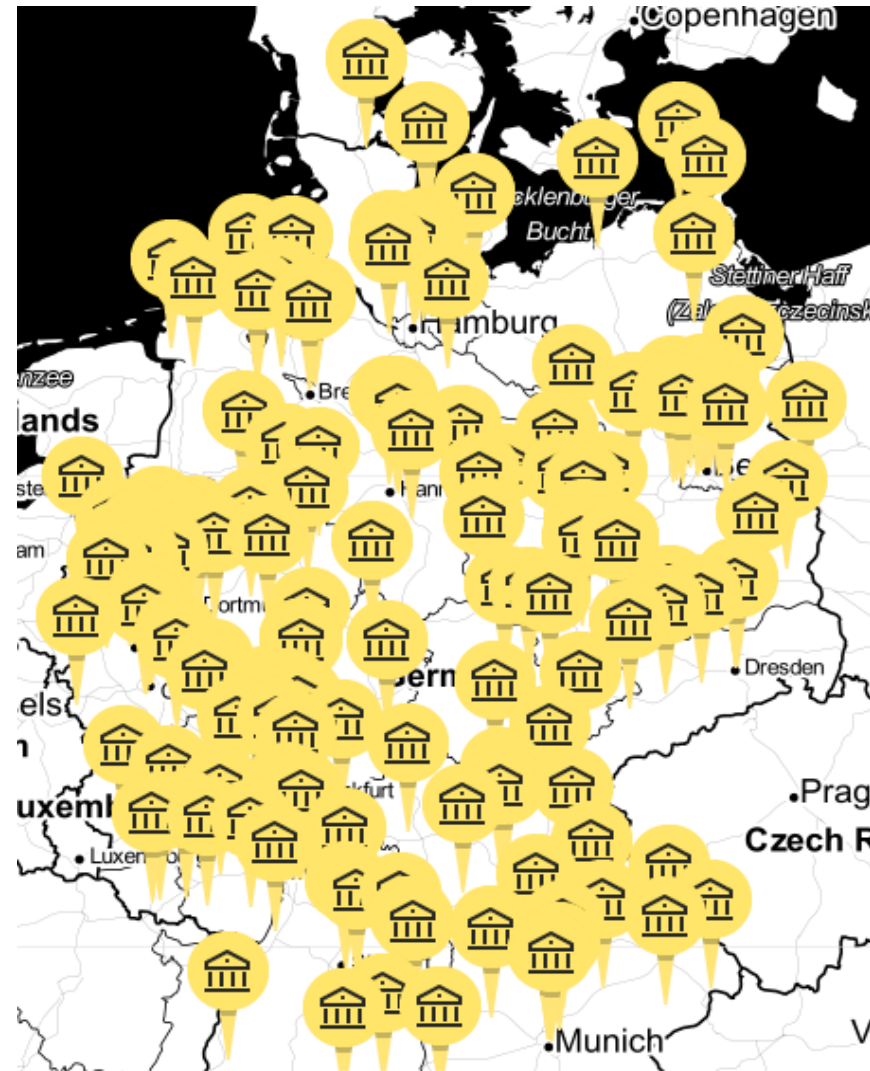

uni-assist universities

uni-assist processes international student applications for **more than 175 German universities**, e.g.

- University of Cologne
- Charité Berlin
- Goethe University Frankfurt
- Humboldt University zu Berlin
- University of Hamburg

Firstly

processing and evaluation of individual admission criteria set by the respective universities

Secondly

universities decide on admission
